Did you know...

You could have a career on Oahu that **DOES NOT** require a college degree?

join our team of

REGISTERED BEHAVIOR TECHNICIANS (RBTs)

ABOUT RBTs

RBTs are dedicated to supporting children diagnosed with Autism Spectrum Disorder (ASD). Through personalized 1:1 sessions, RBTs empower their clients to communicate, have fun, share jokes, and learn essential life skills for independence. Our teaching methodology is rooted in the science of Applied Behavior Analysis (ABA), a blend of psychology and behavioral science. The training provided by ABC Group will unlock the opportunity for you to have a profound impact on these remarkable kids' lives!

Now, picture this:

- Teaching a child to use words, expressing their preferences for beloved toys or treats like french fries or gummy bears.
- Guiding your client through a variety of activities such as Red Light Green Light, Connect Four, Guess Who, basketball, or "The Floor is Lava!"
- The satisfaction of helping your client identify and name their favorite construction vehicles, Disney princesses, or marine mammals.
- Consider the rewarding moments of teaching your client simple yet essential routines like washing their hands or cooking SPAM, eggs, and rice all on their own.
- Imagine the incredible ways you can enable them to connect with the world around them!

WHY BECOME AN RBT ?

RBTs are real-life superheroes, acting as catalysts for transformative behavior change and making a positive impact on families throughout Oahu. This career path is accessible without the need for a college degree and, with ABC Group, provides five levels of upward mobility, paving the way to rewarding leadership opportunities.

Many are also inspired to pursue a long-term career path in ABA, earning their master's degree to become a Board Certified Behavior Analyst (BCBA). ABC Group supports this journey with an apprenticeship program and scheduling assistance for RBTs returning to school for their graduate degree. Reach out to us today and open a door to new possibilities!

WHO CAN BECOME AN RBT ?

If you are 18 years or older and have a GED or high school diploma, apply today!

We are looking for those who have a *passion for purpose* and the *willingness to learn!*
